

BAVITHRAGITHAN KUGANESAN

INTERN SOFTWARE ENGINEER

Profile

As a Software Engineer Intern, I hit the ground running, contributing to real- world projects and writing clean, efficient code. I collaborated with cross- functional teams to develop and optimize applications, improving performance and user experience. Passionate about problem-solving, I thrive on tackling challenges with Python, Java, and JavaScript. Always eager to learn, I take pride in delivering high-quality solutions that make an impact!

Experience

● Intern Software Engineer

Codearson | Jan/2025 - Present

I am working at codearson for 1 month and i learned a lot of things in this one month like git-hub, spring boot etc.
